

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

1. (Currently Amended) A reusable mailable card including:

a first panel of generally rectangular configuration so as to have a pair of side edges and a pair of end edges extending between the side edges, the first panel also having a major front face to receive an image or text and a major rear face;

a second panel including a first portion securable to the first panel so as to provide in combination with the first panel a pocket to receive a relatively flat data storage medium, and a second portion, associated with the first portion and securable to the rear face to close the pocket;

securing means manipulated by a user to secure the second portion to the rear face to close the pocket;

an opening means manipulated by a user to permit removal of said ~~object~~ data storage medium from said pocket, and

means to reclose said pocket to permit said card to be remailed

2. (Original) The mailable card of claim 1, wherein the card is formed of a single sheet of card material folded about a line parallel to said end edges to define said first and second panels.

3. (Currently Amended) The mailable card of claim 1 ~~or claim 2~~, wherein said first panel includes first and second flap portions foldable about said side edges and adjacent said second panel.

4. (Original) The mailable card of claim 3, wherein said first portion of said second panel is securable to said flap portions to close the pocket.

5. (Currently Amended) The mailable card of claim 3 ~~or 4~~, including a lip for receipt of said flap portions to reseal said pocket to permit said card to be remailed.

6. (Currently Amended) The mailable card of ~~any one of the preceding claims~~ claim 1, wherein said securing means includes an adhesive strip along an edge of said second portion.

7. (Currently Amended) The mailable card of ~~any one of the preceding claims~~ claim 1, wherein said opening means includes a detachable panel defined by a line of perforations.

8. (Currently Amended) The mailable card of claim 7, wherein said detachable panel provides an opening in said second panel, whereby when said first panel is secured to said second panel, manipulation by a user of said detachable panel permits removal of said ~~object~~ data storage medium from said pocket.

9. (Currently Amended) The mailable card of ~~any one of the preceding claims~~ claim 3, wherein said second panel includes a flap member.

10. (Original) The mailable card of claim 9, wherein said flap member in use is moveable between a closed position substantially parallel to a plane of said panels and an open position substantially normal to a plane of said panels.

11. (Original) The mailable card of claim 10, wherein said flap member when in said open position forms a stand for said card.

12. (Currently Amended) The mailable card of ~~any one of the preceding claims~~ claim 1, wherein said data storage medium is a mini compact disc, mini digital video disc or CD-ROM.
